Dukascopy Bank is a Swiss innovative online bank providing Internet based and mobile trading services (with foreign exchange, bullion and binaries), banking and other financial services through innovative proprietary technology solutions.

The company has been founded on 2 November 2004 in Geneva, Switzerland where it has its headquarters. Dukascopy Bank is regulated by the Swiss Financial Market Supervisory Authority FINMA both as a bank and dealer. Dukascopy Bank provides online and mobile trading services through the SWFX – Swiss FX Marketplace and other services.
