

## STREAMING

To follow the live contents by the guests and speakers of Metaforum Lugano 2022, simply access the dedicated metaverse via computer - latest generation browser - or via smartphone.

The metaverse is accessible only with the personal and confidential ticket, which you can download at this link: <https://thenemesis.io/link-redirect/metaforum-ticket-2022-mfl22>

### **How to get the ticket**

If you don't have a The Nemesis account yet, by clicking on the link

<https://thenemesis.io/link-redirect/metaforum-ticket-2022-mfl22>

- from desktop, the system opens a new browser tab and invites you to create an account via social login to get the ticket;

- from mobile, the system directs you to the iOS / Android store to download The Nemesis app and to create an account via social login to get the ticket. Once the account is created, the ticket is automatically saved to your The Nemesis inventory.

If you already have a The Nemesis account, simply click on the link, from desktop or mobile, to drop the ticket card.

### **Where is the ticket**

The ticket can be found in your The Nemesis account: log in and click on INVENTORY in the menu on the left.

If you don't find the ticket in your inventory

Make sure you have a The Nemesis account and click the ticket drop link again.

### **How to use the ticket**

If you have successfully completed the ticket drop and the ticket has been saved in your The Nemesis inventory, the system automatically recognizes that you can access the metaverse, no further action is required on your part.

### **How to access the metaverse**

The metaverse will open its doors on Monday, June 13th at 12 am CEST.

To enter, simply click on your desktop or mobile

<https://thenemesis.io/@metaforum>

You will be able to explore the virtual world dedicated to the event and play a nice challenge: with your avatar collect all the items scattered on the map in the shortest possible time.

*The metaverse challenge lasts 48 hours, starting June 13 at 12 am CEST.*

The best player will win 1 Companion NFT by The Nemesis.

**Starting at 09:15 am CEST on Monday, June 13th, the scheduled contents of the 3 conference rooms will be broadcast in the metaverse.**

- The contents of **conference room A will be broadcast in English on the two large screens in the main metaverse area**
- The contents of **conference rooms B and C will be broadcast in two separate virtual rooms, accessible from the main metaverse in the central area.** Simply approach with your avatar the lightning circle corresponding to the program on display
- The contents of **conference room B will be broadcast in English, the contents of conference room C will be broadcast in the speakers' original language.**

The complete program is available at <https://metaforum.ch/program/>
