

**A** User who is part of the community but doesn't attend any event; he cannot see other members of the Community, but he can be contacted by members with a business profile. Alternatively, he can upgrade to a business plan, see and contact all the members of FinLantern Community, independently by the fact that they registered at an event or not.

**B** User who attends the event Lantern Fund Forum (red). He can see the list of other members attending the same event and contact them in order to arrange meetings during the same event. This makes the FinLantern Community really effective to build business opportunities.

**C** User who attends both the event Lantern Fund Forum (red) and Lantern Fiscal Forum (blue). He can see the lists of other members attending these events and contact them in order to arrange meetings, develop business opportunities. More events you attend, the higher the members of contacts within FinLantern Community that you may know.
